Help manage your lymphoedema from the comfort of your own home

LYMPHASSIST[®] HOMECARE the new advanced pump and garment system - designed specifically to help you self manage your condition in the comfort of your own home.

We are delighted to announce that we have partnered with Omni Capital Retail Finance to now offer interest free payment options for the LymphAssist Homecare machine. Please contact our Customer Care Department on 029 2048 5885 for further details. Applications will be subject to a credit check using a recognised credit reference agency as part of the assessment process.

Credit available subject to status, Terms and Conditions apply, UK residents aged 18 years and over. Huntleigh Healthcare is acting as a credit broker offering finance products from Omni Capital Retail Finance, authorised and regulated by the Financial Conduct Authority (720279).

"Since purchasing my own system it's allowed me to manage my lymphoedema around my lifestyle.... It's so easy and comfortable to use, it has changed my life"

For more information on the Interest Free option and examples of cost, contact a member of our Customer Service Team. They are also able to provide a copy of our **FREE** LymphAssist patient information pack or alternatively visit www.LymphAssist.com
